

Daddy's Little Girl

© 2015 Lindy McNutt - BMI

Little girl she's
fast asleep
Gift from God
He gave to me
And she's dreaming
Of a life ahead

Here she is so
young and sweet
Whole new world
for you to see
Take your time
little girl
You'll find
That the world
Is here for you
Little girl

So go as you will
And know that you still
Will always be
Daddy's girl

Overalls and
pony tails
Soccer balls and
great big hair
And she's still
the world is her own

LEAD

Now the years have
quickly past
Fine young girl an
Irish lass
And she's everything
Daddy's little girl

So go as you will
And know that you still
Will always be
Daddy's little girl
