Momma

I got Je ne sa
But then again I might
Ou le vouz avec moi

I was over Paris
On the Avenue
Looking for romance
Then I stumbled into you
I said excuse et moi

They say I think
Therefore I am
I'm thinking somehow, someday, somewhere, one-way
I wanna be your man yeah yeah yeah

LEAD

I only got one Franc
down in my pants
but it will go along way
and you can teach me how to dance
Ques quce
Come on give me a little chance

They say I think
Therefore I am
I'm thinking somehow, someday, somewhere, one-way
I wanna be your man yeah yeah yeah

Ya know I never really knew
Just what it means
'Cause I woke up in the pokey
Down in old Paris
She was walking to my cell

She was carrying a key
